

Resources for Working Parents @YourService

FEATURES INCLUDE:

- Toll-free 24/7 telephonic access
- Custom research matching local resources and providers to your specific needs, e.g., childcare, tutoring, college prep, special needs or gifted programs
- Links to educational resources
- Professional guidance managing any stress, anxiety or challenge you're facing
- Support for you, as well as those in your family or household

As schools announce their plans for virtual-classrooms or limited, in-person instruction due to COVID-19, many working parents are scrambling for practical solutions. As a reminder, you and your family have access to skilled researchers committed to helping you identify local resources, including tutoring and child care. Available anytime, any day, **CCA@YourService** is a free, confidential program to help you balance your work, family, and personal life, especially during these unprecedented times.
