Technology Credentials at CCNY

All students at City College have two sets of login credentials:

1. CUNY Credentials: used to log into CUNY-managed systems. These include CUNYFirst, Blackboard, DegreeWorks, and Navigate.
2. CCNY Credentials: used to log into CCNY-managed systems. These include CityMail, ZOOM, MS 365, the campus Wi-Fi, and any campus workstation.

It is important to use the correct credentials. Knowing which set of credentials to use is straightforward.

CUNY Credentials

After you access the desired system, if you see the login page to the right, you will use your CUNY credentials.

Your CUNY username look like this:

Username: Firstname.Lastname##

are the last 2 digits of your EMPLID

For example, Gina.Student56@login.cuny.edu

Your password is the password you created when you claimed your CUNYFirst account.

The 'Username' field contains the text '@login.cuny.edu'. Below the 'Password' field is a blue 'Log in' button. At the bottom of the form, there is a dark blue bar with white text links: 'New User | Forgot Username | Forgot Password | Manage your Account'.
