CUNYFirst is the CUNY student information system we use to keep track of all your information. Contact information, grades, registration, finances, bills, etc. In a word, everything.

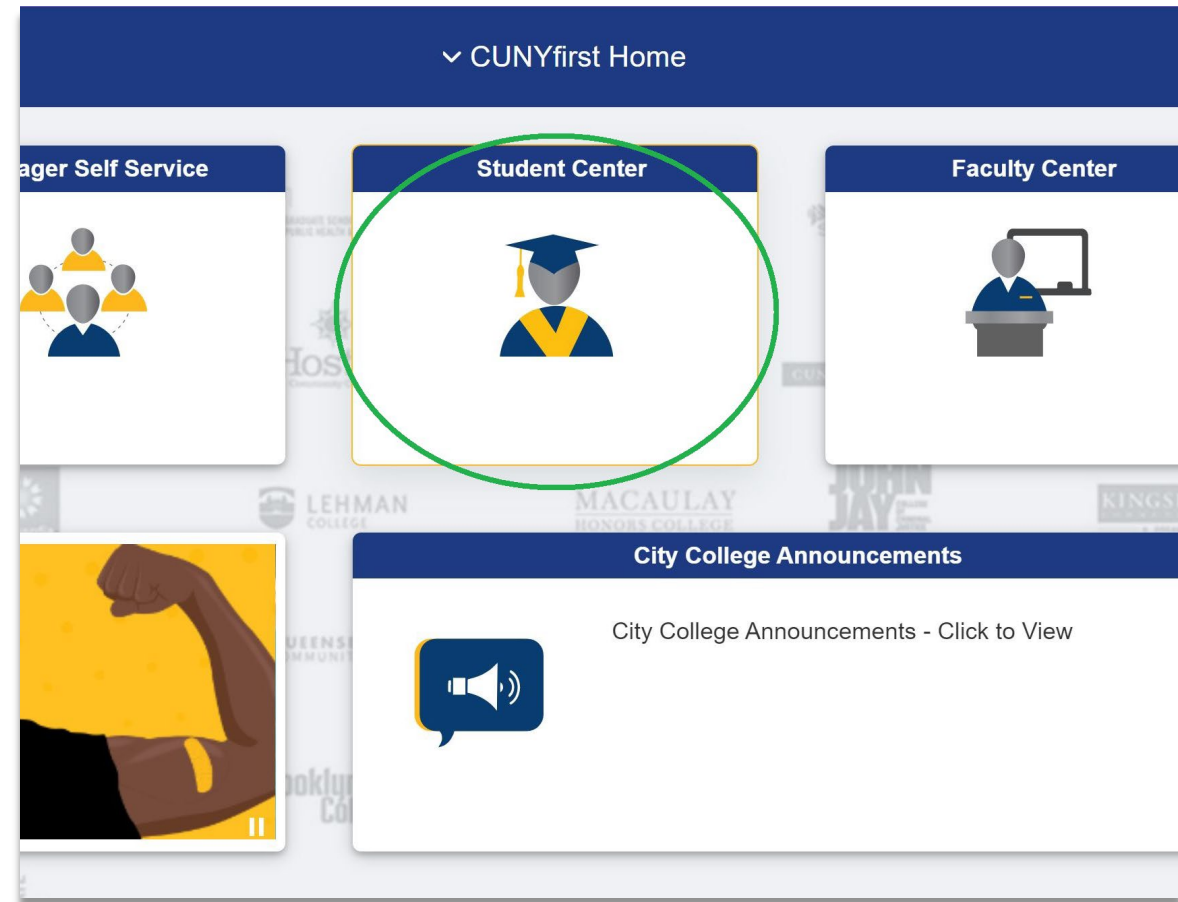

Information about using the current version of CUNYFirst is available [HERE on the CUNY Website](#). This [video](#) demonstrates these features.

# CUNYFirst: Student Center

Student Center is your home base within CUNYFirst. Explore! Get to know it and the places it can take you.

Profile : Update your personal information

Tasks and Holds:

Tasks: An important to do list. These items must be completed as soon as possible

Holds: Pay attention to anything listed as a hold. Holds will prevent you from doing something. Most often, enrolling for classes. However, not all items are holds and not all items are from City College. Click "Get Details" link to get more information.

Schedule Builder: Used to create your schedule and register for classes.
