

# ONLINE INFORMATION SESSION / OPEN HOUSE MA IN THE STUDY OF THE AMERICAS OCT 24TH | FROM 4:30-6 PM

The 4+1 program will enable talented and motivated undergraduate students in the BA in Interdisciplinary Arts & Sciences to enroll in courses in the MA in the Study of the Americas, to connect their concentration area to a broader study of the Americas, and to complete this MA degree soon after receiving a Bachelor's degree in Interdisciplinary Arts and Sciences. By more quickly receiving an advanced degree, successful participating students will be more competitive for jobs and for admissions to further graduate programs such as PhD programs.

Undergraduate students accepted to the Accelerated MA option in the Study of the Americas will be able to apply up to 12 credits of graduate courses in the Study of the Americas to both their undergraduate BA in Interdisciplinary Liberal Arts and Sciences and the MA in the Study of the Americas requirements. Full-time undergraduate New York state residents will pay the undergraduate. Full-time tuition rate until they reach 120 credits (regardless of whether the courses are MA or BA courses).
