

OFFICE OF HUMAN RESOURCES

Dear Faculty and Staff,

CUNY is thrilled to share that our partners at CCA have launched a pre-recorded Pride Awareness Month webinar that is available on demand. This webinar aims to foster awareness and understanding of LGBTQIA+ issues and experiences. Furthermore, CCA is providing an invaluable LGBTQIA+ Mental Health and Self Care Resource Guide, designed to offer support and resources for individuals within the community.

As June marks Pride Month, a time to celebrate identity, inclusion, and well-being, TIAA is proud to stand with the LGBTQIA+ community in commemorating this important occasion. In honor of Pride Month, TIAA is excited to showcase real stories of leaders who are retiring inequality for themselves and others within the LGBTQIA+ community.

TIAA believes in creating a workplace and a world where everyone feels valued, respected, and empowered to be their authentic selves. TIAA and CCA are committed to promoting diversity, equity, and inclusion in all aspects of our work and communities.

I encourage you to take advantage of these resources and join us in celebrating Pride Month. Let us continue to advocate for equality and acceptance, not just in June, but every day.

Thank you for your continued support and commitment to diversity and inclusion.
