ADVANCED TRAINING OPPORTUNITIES – SUMMER 2024

The Rangel Initiative is excited to offer new training programs and transitional job opportunities for participants who have completed Infrastructure Fundamentals Training (“Baseline”). Most programs will take place July through August, dates to be announced.

Register for the **Summer 2024 Informational Webinar** to learn more!
Tuesday, June 18, 2–3 pm. [Registration required.](#)

*What to expect • How to decide which program is right for you
Registration, medical clearance, and Train & Earn requirements • Q&A with Rangel Initiative staff*

All Trades Core Training

Construction Skills and Placement Assistance with Positive Workforce

- Hands-on training in Electrical, Plumbing and Carpentry (40 hrs. each) with job placement assistance upon completion.
- *Schedule & Location:* 6 weeks, Monday–Thursday, 7 am–2:30 pm, at Positive Workforce, 109 E. 125th St.
- *Train & Earn:* Graduates of the program will be eligible for a stipend.
- *Medical clearance required.*

Transitional Job Placement

Learn Construction Skills on the Job

- Work on Apex Building Group construction sites, learn from experienced supervisors and laborers, and position yourself for employment with the company.
- *Schedule & Location:* Work periods will be under 90 days, at various NYC job sites.
- *Train & Earn:* Participants will earn an hourly wage.
- *Medical clearance required.*

Weatherization Assistance Program

Learn Weatherization Skills on the Job

- Help low-income New Yorkers make their homes more energy efficient. Assess heating and cooling, lighting, and hot water systems and prepare reports with recommendations for reducing electricity and fuel costs.
- *Schedule & Location:* 4 weeks, Monday–Thursday, 9 am–5 pm, at CCNY.
- *Train & Earn:* Graduates of the program will be eligible for a stipend.

Environmental Job Skills Training

Certifications for Environmental Remediation, Cleaning, and Industrial Careers

- Includes 40-hour HAZWOPER Certification and 2-day CMI Certified Custodial Technician Basic training, offered in partnership with ISSA, the Worldwide Cleaning Industry Association.
- *Schedule & Location:* Monthly at CCNY.
- *Medical clearance required for 40-hour HAZWOPER.*
