

Congratulations to CMLL Lecturer Rosalía Reyes Simon, for having been awarded citations from the New York State Assembly, issued by three of its members and the Latin American Cultural Heritage organization, for her contribution and commitment to education and the dissemination of Latinx and Latin American cultures.

The reasons for this distinction include organizing book fairs, festivals, workshops, and conferences at the Cervantes Institute of New York, The Graduate Center CUNY, Rutgers University and New York University, aimed at academics and the general public.

Reyes Simon received the citations on Dec. 7 2024, at a ceremony held at the Directorate of Dominican Culture Abroad, an official Dominican agency, based in Washington Heights, that promotes the country's arts and literature among the diaspora.
