

A Break-A-Leg Productions Workshop

THE HALF-LIFE OF MARIE CURIE

Join us for an exciting and thought-provoking reading of the play by Lauren Gunderson that highlights Madam Curie's professional and personal lives as a path-breaking woman in science. This event will include a performance by professional actors followed by a talk-back discussion session.

When: Tuesday, April 25 from 5 PM-7:15 PM

Where: Segal Theater, 1st floor of the CUNY Graduate Center

This is a free event for students in the G-RISE, NanoBioNYC, IDEALS, GAANN, and GC Chemistry, Physics, Biochemistry, and Biology PhD programs. Light refreshments will be served. RSVP is required due to limited seating.
