Disclaimer: This schedule is subject to change. Changes, if necessary, will be announced in class or updated here.

Generally, your final examinations will be held in the regular classrooms. However, students should CONFIRM their examination date(s), time(s) and location(s) with their instructors PRIOR to final examination week.

Important Notes About Group Finals

- Students in day sections (starting before **6 pm**) of **Math 15000, 19500, 20200, 20900, and 39200** will have group final examinations on Thursday, December 14 from 3:30 pm - 5:45 pm. Students should check with the Math department for room locations for all group finals.
- Students in day sections (starting before **6 pm**) of **Math 19000, 20100, 20300, 20500 and 39100** will have group final examinations on Monday, December 18 from 1:00 pm - 3:15 pm. Students should check with the Math department for room locations for all group finals.
- Students in the CC, E, and R sections of Chemistry 10301 will have group final examination on Friday, December 15 from 10:30 am - 12:45 pm. Students should check with the Chemistry department for room locations.
- Important Notes to Faculty
- In the event that a student has two exams at the same time faculty should schedule a make-up exam for the student. If you are unable to accommodate a makeup you can arrange for the student to take the exam with an evening section instructor or with an instructor on another day.
- Final exams must be administered on the scheduled date and time.
- Students who have three exams on the same day may elect to take a make-up exam for one of the courses. The college's practice is that the instructor of the middle exam must allow the student to take a makeup exam.
- Classes meeting Monday and Wednesday and either Tuesday or Thursday should follow Monday and Wednesday exam schedule.
- Classes meeting Tuesday and Thursday and either Monday or Wednesday should follow Tuesday and Thursday exam schedule.
